

FABRIC GUIDE FOR LISA THE UNICORN SMALL QUILT & PILLOW

Use this guide to duplicate the fabric placement in the Small Quilt and Pillow shown on the cover of my Lisa the Unicorn Pattern. To make these projects, I used two Roll-Ups (one per project) of the 2017 New Kona Cotton Colors (RU-722-40) from Robert Kaufman Fabrics. The unicorn faces on both projects are Essex Yarn-Dyed Metallic Linen in Opal (E105-962). The unicorn eyes for both projects were cut from the Gotham Grey (darkest grey) Roll-Up strip.

For the Pillow

Use the Rainbow Mane Variation on Page 9, cutting pieces from the Roll-Up strips as shown below. The horn and nostril are cut from the Quicksilver Roll-Up strip. The background is Robert Kaufman's Neon Neppy Chambray in Charcoal (SRK-17237-184).

For the Lap Quilt

Each of the 4 blocks in the quilt are made with 6 Roll-Up strips, five for the mane and one for the horn and nostril. Each of the 4 block backgrounds are made with a different color of Robert Kaufman's Neon Neppy Chambray. The blocks in the quilt photo on the right are labeled A - D. Refer to the chart below to see which Roll-Up strips and which Neon Neppy colors were used for each block.
