

Kona Solids Fabric Guide for LARGE DOG PARK QUILT

The fabric chart on Pages 2 - 4 shows the 20 Kona Solids I used in my sample quilt. The chart will tell you whether you need a fat eighth (9" x 21") or fat quarter (18" x 21") of each fabric.

Use this guide as a substitute for the one on Pages 2 - 4 of the pattern.

Background Fabric: I used Essex Yarn-Dyed Seafoam in my quilt because I like the contrast in texture with the Kona Solids in the blocks. If you prefer to work with Kona, Kona Seafoam is nearly identical in color.

Detail Fabrics: I used Kona Espresso for my Face Detail Fabric, and Kona Peach for my Tongue Fabric.
