

THE PRODUCE SECTION - KONA SOLIDS FABRIC CHART

Substitute the chart below for the one on Page 2 of your pattern. The chart lists the 36 Kona Solids (Fabrics 1 - 36) used, as well as the amount of fabric (9" x 21" fat eighth or 18" x 21" fat quarter) required for the Large Quilt. For the Small Quilt, you will need 1 square, 10" x 10" each, of all 36 fabrics.

Use Kona Ultra Marine or Kona Lingerie for the background, and Kona Otter and Snow for the Dark and Light Solid Detail Fabrics.
